**Waist High Turnstiles**  
Interior and Exterior Application

**MR-100**

## Designed to Blend with any Surrounding

The MR 100 Series Turnstiles are designed for high profile installations where aesthetics and durability are of the greatest importance. The heavy gauge steel construction coupled with streamlined designs make the MR 100 Turnstile perfect for the demanding corporate and entertainment environments.

Dollar for dollar, Hayward Turnstiles are simply the best turnstile value in the access control industry.

We have engineered our turnstile products line with your needs in mind: Performance, aesthetics, reliability, and ease of maintenance.

In addition to turnstile and crowd control products, we offer design assistance for new installations, as well as custom fabricated devices.

Hayward Turnstiles provides access control systems regionally, nationally, and worldwide.
